MARCH 2014

The March 2014 meeting of the membership of the South Jersey Region of the Sports Car Club of America, Inc. was held on Wednesday evening, March 12, 2014 at Uno Chicago Restaurant in Mt. Laurel, NJ. The meeting was called to order by R.E., Jim Tornetta at 8:00PM.

The minutes of the March Board of Directors meeting were read and approved.

Jim advised all that the March Lion Drivers School, Test Days and Advanced Drivers Clinic are going on as scheduled. Number of entrants is coming up and, as usual, we will be putting on a good event. Jim further advised that we still don't have contracts with NJMP as yet. Each event is being handled as a single unit per event, we won't be dealing our October event in May. Butch O'Connor is our legal counsel and, once we have contracts in hand, will advise our next step. The 12 Hour and the Majors are the next upcoming events. A reminder to all – you need to show your SCCA credentials (member card) to get into the track without paying an entry fee. Terri will be putting this information on DLB.

**Old Business** – Jim advised that our first Solo event will held on April 6<sup>th</sup> at Bader Field. There is a new class – CAM (Classic American Muscle). Jim Wakemen, Jr. advised that the first Rally event will be the March Lion/Lamb and will be on April 6<sup>th</sup>. Bill VonSuskil advised that he and Jim Wakemen, Sr. had a meeting with the mustang club and they are very interested in running our solo and rally events and their members are also interested in the new CAM class for solo. Bill went on to advise that we have placed one of our banners in the Glasstown Brewery site which is located at the Millville Airport.

**New Business** – Jim Tornetta asked the membership if they would like to have further meetings at the go-kart place in Cinnaminson. Motion by Sue King that we plan on having meetings there, quarterly, (May, August and November 2014) on the second Thursday of those months. Second by Matt Wojtkowiak. Motion carried. Further under new business, Sue advised that we were contacted by Jane Tomczyk, one of our members, who participates in the Over the Edge fundraiser for the Special Olympics of Delaware. Jane has asked us for a donation to this cause which will be going shortly.

There being no further business, the meeting was adjourned at 8:40PM.

Respectfully submitted,

Sue King
