To our friends at SJ Region Car Club of America;

On behalf of the Chelsea Baseball

Organization, please allow me to thank you for your very generous donation to our League. Your donation goes a long way to help us provide an athletic outlet for inner City youths. They are taught the basic life skills such as teamwork and sportsmanship which helps shape them as they advance in age. We have boys and girls from the age of 6 years old to a recently founded Babe Ruth team that benefit from generosity from groups such as yours.

Your members were a pleasure to serve. They were very patient in waiting for their food and were very generous to us when they found out that we were from Chelsea Baseball. It would be our pleasure to be able to serve you again for the foreseeable future.

Thank you again,

Joseph Nolan
