

# FALL FOLIAGE FLING Road Rally

Sunday, October 18, 2015

Presented by  
**South Jersey Region – Sports Car Club of America**

**What is a Road Rally?** Bring any road-legal vehicle, a friend, and come have some fun on a Time-Speed-Distance (TSD) Road Rally! This is NOT a race. The challenge for the driver and navigator is to follow directions and to attempt to precisely maintain an assigned average speed. You will encounter checkpoints along the route where your arrival time will be recorded. Arrive early (too fast) or late (too slow) and you will collect penalty points. Lowest score at the end of the rally wins. This event is safe and legal; all speeds are within the posted limits.

**Why do I want to run a Road Rally?** A road rally might be for you if you like to drive on back country roads. If you enjoy finding new ways to use your Smart Phone, Laptop, iPad, or similar device then you might like the new Tech class. Do you enjoy using your GPS? GPS units are allowed in all classes and can be helpful to identify the roads you encounter. Do you enjoy meeting new friends and discussing the event at the finish with food and drink (see below too). And of course, maybe you'll win an award!

**Do you want to use your Smart Phone, Laptop, iPad, etc. to determine if you're early or late?** SJR's website to see where you can find APPs, spreadsheets, etc. to help you run in this class. How do you use your Smart Phone to determine if you're early or late? There's an APP for that. The Richta APP is a popular APP for timekeeping. The apps can be used with your car odometer.

The South Jersey Region (SJR) holds two types of TSD rallies. The Minji Bucks County Explorer 2015 Road Rally is a Tour Rally. On Tour rallies the route instructions are very straight forward and easy to follow. The biggest challenge of a Tour Rally is to stay on time. Newcomers to rallying should enter the SOP Class.
