

FALL FOLIAGE FLING

Road Rally

Sunday October 19, 2014

Presented by
South Jersey Region – Sports Car Club of America

What is a Road Rally? Bring any road-legal vehicle, a friend, and come have some fun on a Time-Speed-Distance (TSD) Road Rally! This is NOT a race. The challenge for the driver and navigator is to follow directions and to attempt to precisely maintain an assigned average speed. You will encounter checkpoints along the route where your arrival time will be recorded. Arrive early (too fast) or late (too slow) and you will collect penalty points. Lowest score at the end of the rally wins. This event is safe and legal; all speeds are within the posted limits.

Why do I want to run a Road Rally? A road rally might be for you if you like to drive on back country roads. If you enjoy finding new ways to use your Smart Phone, Laptop, iPad, or similar device then you might like the new Tech class. Do you enjoy using your GPS? GPS units are allowed in all classes and can be helpful to identify the roads you encounter. Maybe you like to solve puzzles, then a Course Rally might be for you (see below). Do you enjoy meeting new friends and discussing the event at the finish with food and drink (see below too). And of course, maybe you'll win an award!

The Tech Class. Do you want to use your Smart Phone, Laptop, iPad, etc. to determine if you're early or late? Then the tech class might be for you. Go to SJR's website to see where you can find APPs, spreadsheets, etc. to help you run in this class. How do you use your Smart Phone to determine if you're early or late? There's an APP for that. The Richta APP is a popular APP for timekeeping.

At the conclusion of the rally everyone is invited to come into JG Cooks and join us as we enjoy the food and drink while swapping "war stories" and "outright lies" about the day's event. Awards will be presented as soon as the scores are totaled. If you want to join us in a great day of motor sports or if you want more information contact Jim Wakemen Sr at e-mail: jwakemen43@aol.com or Phone: 856-228-9249.
